CarlosX360 Network reaches 1 Million Visits across multiple websites

On January 31st, Carlos Morales has learned that CarlosX360 Network has reached a new milestone. Carlos owns many websites with the intention of reaching all kinds of passionate Video Game players by two different methods. Carlos creates websites, or purchases pre-existing websites with strong potential of attracting targeted niches.

What is this Press Release about? CarlosX360 Network reached 1 Million Visits, and 2 Million Pageviews worldwide as of January 31st, 2016. For a detailed picture of how this was accomplished, refer to the stats below...

Who is this Press Release intended for? Carlos wants to attract any accredited investor in any shape or form. CarlosX360 Co., Ltd. was designed with the future in mind. Carlos' biggest passion is Video Games, but Video Games has become an expensive investment, with an exponential potential for profit. Video

Games is a part of technology, and new devices are coming fast to reinvigorate the industry in ways that hasn't been done since 1982 when NES was revolutionizing the industry. More, more, and more tech companies are entering the VR space with their own devices. Video Games are here to stay, but the risk is too great, even though there are tremendous rewards to be had. Carlos has to prove to investors there is a market, and prove to investors Carlos can build & grow a business or businesses. Carlos wants to enter the tech sector, as it goes hand-in-hand with Video Games. Carlos isn't just looking for capital. Carlos is looking for advice, resources, ideas, and guidance.

How will you return my funds? Hey, Carlos planned ahead of this. That's why the name isn't constrained to a particular niche. Carlos intends to go not just outside of gaming, but also have multiple revenue streams to help offset costs to do one thing or the other.

When will we get our funds back? When the company is either profitable or has gone IPO, and still is profitable.

Where is CarlosX360 Co., Ltd. currently headquartered? In Silicon Valley. In a small city called San Carlos.

Carlos' long term goals are ambitious, but to realize those goals for CarlosX360 Co., Ltd. and any CarlosX360 project, it requires more than a team, capital, or resources.
